Parshall 35 SWSE Part 1 Mod is on hold. EOG selected 49.104(a)2 without including a 30 day letter. I suspect by error – there is enough documentation to move forward via 49.104(a)1. EOG contacted 5/28/19

Slawson Pad 117 is on hold for more info. Part 1 Mod to unregistered existing Pad – Pad appears recently built.
